

# LOVE FOR AFRICA

'Recommendations For Books to Read before, during and after your trip'

*"Memories that will last forever"*

*Southern African Specialists*

"I am often asked what books to look for and read prior to traveling to Africa. I always recommend these as I have read some of them, heard about some of them BUT most of all I love to share that this journey you will take with us will leave in your hearts your own unique story to tell".

**Blessing Munyenyiwa**
